EatonRESA.YourCare360.com

Employees hired since April 1, 2024 have the opportunity to apply for Long-Term Care + Life Insurance with guaranteed acceptance only for a limited time!

It's almost time to enroll in Long-Term Care + Life Insurance!

Did you know that upwards of 40% cannot qualify for long-term care because of existing health conditions? **Eaton RESA's sponsored long-term care benefit is available to new employees hired since 4/1/24 with no health questions and no medical exam for eligible employees.**

Eaton RESA provides a base long-term care plan for all eligible employees, and **you must enroll or waive this coverage.**

While employed at Eaton RESA, premium for each eligible employee between the ages of 18-64 will be sponsored by Eaton RESA up to \$500 annually (\$676 annually for those 65-75).

This is your only opportunity to benefit from guaranteed acceptance underwriting and the sponsorship of the premium. You must meet with our long-term care expert Marybeth Bayer. You may book a convenient appointment using this link:
